Re: HB 5476

Dear Representative Byrum:

This letter is in support of **HB 5476**, and to the support of the Michigan Law Enforcement Monument fund. The men and woman of Law enforcement deserve a monument dedicated to those that have given the ultimate sacrifice to the Citizens of Michigan. Funding for this is critical and I encourage that the citizens of Michigan be given the opportunity to donate to this fund by using part of their tax refund.

I understand that there are many good causes but none is more fitting than one that pays tribute to these Officers. As a law enforcement Officer for 25 years I understand the sacrifice of the law enforcement profession and my own Department was touched by the death of Sgt. Paul Cole.

Currently I am the Executive Director of Capitol City Lodge # 141 of the Fraternal Order of Police which is a labor union in Ingham, Eaton and Clinton Counties with over 700 members all working in law enforcement or related fields. My Lodge in the last 20 years has lost 5 members in the line of Duty.
